WHAT WE DO

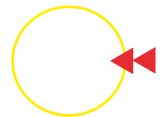

INTRODUCTION TO SCHOOLS PROGRAMME

Since 1994, we've been using the power of football and community partnerships to make a difference.

Originally known as Lincoln City Football in the Community (FiTC), we became a charity in 2009, expanding our reach and impact. With over 29 years of experience, our dedicated team of over thirty staff and volunteers remains agile and creative, always putting local needs first.

Our Sport & Physical Activity programmes harness the power of sport to inspire individuals to engage in regular physical activity, improving their physical and mental wellbeing. We champion healthy and active lifestyles for children and young people while addressing inequalities in participation for females, ethnic minority groups, individuals with disabilities, and those from our most disadvantaged communities.

Our Schools Programme includes PPA cover, enrichment activities such as after-school clubs, and PE teacher CPD. Over recent years partner schools have represented us at a variety of excited events connected with the Premier League and National FA, such as a football tournament at St George's Park with Prince William in attendance. We have also hosted a number of enriching events at our home the LNER Stadium, most recently an author day with Tom Palmer in our Community Hub facility.

AIMS & OBJECTIVES

SUPPORT PARTNER SCHOOLS:

Develop and deliver high-quality Physical Education, broaden the range of sport and physical activities offered to pupils and deliver impactful educational interventions.

DELIVER PREMIER LEAGUE PRIMARY STARS:

Utilise the appeal of the Premier League and professional football clubs to inspire children to learn, be active, and develop important life skills.

OUR APPROACH

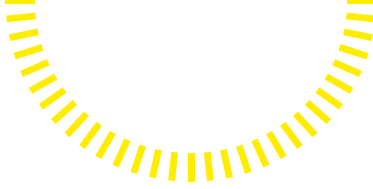

DELIVERY PRINCIPLES

- **Safe:** All risks must be identified and managed. The environment must allow participants to express themselves and feel safe in making mistakes.
- **Fun:** All participants should enjoy taking part in sessions, arriving excited and leaving wanting more. Sessions must engage all participants.
- **Developmental:** All participants should learn and develop in sport, physical activity, or subject areas. Skills learned should be applicable outside of sessions.

TESTIMONIALS

WHAT PUPILS SAY ABOUT US:

“ The lessons are fun and the coaches find ways to make it fun for everyone even if you don't usually like PE. ”

Maya, Year 5

“ My favourite part was last year learning golf as I had never done it before, but I was really good. Me and my dad now go to the driving range most weekends! ”

Neave, Year 5

“ Last year we went on a stadium tour and got to see inside the changing rooms. This was AMAZING! ”

Conrad, Year 5

WHAT TEACHERS SAY ABOUT US:

- “ Over the last few years, we have built an incredibly positive relationship with the Foundation that really benefits our community. What incredibly talented, thoughtful, and generous people they are. We are lucky to live in a city where the football club values its community so much and where the community values the football club so much. 🙌”

John Sisman, Primary School Headteacher

- “ We have been longstanding partners. I think working alongside the community foundation is a win-win for both partners. The affiliation with Lincoln City Foundation also promotes the Club and creates an important city partnership that I hope will continue for many years. Meeting the players, visiting Sincil Bank, and the work you have done promoting reading has been enjoyable for the children and staff. Thank you for your work - it is really appreciated. 🙌”

Maria Blood, Primary School Deputy Headteacher
